Dear Sir/Madam,

### REMINDER ON SUBMISSION OF APPEAL AGAINST SPC DECISION OVER TENDER PREFERENCE DHS/P/WW/254/25

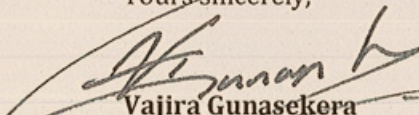

Further to our letter dated February 18 2025, we are writing to follow up on the decision regarding the tender in which we participated. We fully complied with all tender requirements without any shortcomings and submitted the most competitive bid, which was the lowest bid.

As a responsible government organization, we trust in a transparent and fair evaluation process. Therefore, we formally submit this appeal, seeking a fair and impartial decision. Our company has made financial commitments related to this tender, and given that, we were the lowest bidder and as a tax-paying organization, we believe we are entitled to a justified response.

In the absence of a timely response, we will be compelled to take legal action against what we consider an unfair and unjust process. Please find enclosed a copy of our previous letter's acknowledgment for your reference.

We urge you to address this matter at the earliest and provide us with a formal response.

Yours sincerely,
